RESPONSE TO OFFICE COMMUNICATION MAILED MARCH 26, 2008

Dear Sir:

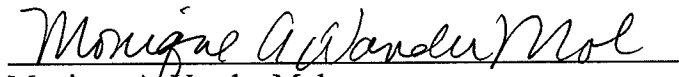

In response to an Office Communication mailed March 26, 2008, in which the “residence city” for the second inventor, Milton O’Chee, is said to be missing from the oath/declaration, Applicants submit herewith an application data sheet that provides the missing information. Applicants understands that the submission of an application data sheet will rectify the missing residence city not identified with the executed oath/declaration (see MPEP 6.05.02).

Accordingly, Applicants submit that no new submission of an oath/declaration is required because the application data sheet provided herewith resolves the issue set forth in the Office Communication mailed March 26, 2008.

Should the Examiner have questions, comments, or suggestions in furtherance of issuance of this Application, please contact Applicants' representative at 214.999.4330. Applicants, through their representative, stand ready to conduct a telephone interview with the Examiner to review this matter if the Examiner believes that such an interview would assist in advancement.

With this paper, Applicants respectfully submit that the Application is in condition for issuance and printing and that no new submission on the part of the Applicants is required to proceed to issuance and printing.

Respectfully submitted,
